

## 2018 PINOT NOIR

*Sonoma Coast*

### VINTAGENOTES

2018 is Riley's second vintage of Pinot Noir. The fruit for the 2018 Riley's Rows Pinot Noir is sourced from the Gap's View vineyard, which we farm, in the Sonoma Coast AVA. It is located south and east of Petaluma and is a very cool site. Because of the location there was very little damage to the fruit at Gap's View and Riley made a very pretty wine in 2018.

### TASTING NOTES

The 2018 Riley's Rows Pinot Noir Sonoma Coast offers an expressive nose of Orange Blossom and Ceylon Tea. On the palate the wine is supple with very fine tannins and displays very pretty Red plum and Red Currant fruits along with a savory black truffle note that is compelling.

My goal with this wine was to make a well balanced, cool climate Pinot Noir that offered pretty fruits and some layers and complexity. This wine is both elegant and delicious!
